Library News

This Week in the Library

Ms. Dorsey's classes visited the library to explore different fiction genres. Students participated in a "Book Tasting" activity, where they sampled books and learned about the key characteristics of the following genres: Realistic Fiction, Mystery, Science Fiction, Fantasy, and Historical Fiction.

We also welcomed our weekly visit from our Divine Canines therapy dogs, who spent quality time with our Life Skills and SCORES students. This week, students read books about community helpers while enjoying the calming presence of the dogs. It was a joyful and soothing experience for all!

Esta semana en la biblioteca

Las clases de la Sra. Dorsey visitaron la biblioteca para explorar diferentes géneros de ficción. Los estudiantes participaron en una actividad llamada "Desgustación de Libros", donde exploraron distintos libros y aprendieron sobre las características principales de los siguientes géneros: ficción realista, misterio, ciencia ficción y ficción histórica.

También recibimos nuestra visita semanal de los perros de terapia de Divine Canines, quienes pasaron un tiempo especial con nuestros estudiantes de Life Skills y SCORES. Esta semana, los estudiantes leyeron libros sobre los trabajadores comunitarios, mientras disfrutaban de la presencia tranquila y reconfortante de los perros. ¡Fue una experiencia alegre y relajante para todos!
